MagiPulse

RECOMMENDED BY YOUR TRAVEL ADVISOR

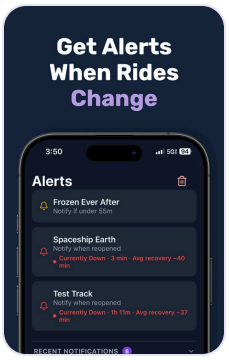

Make more of every park day.

Live wait times, ride alerts, Lightning Lane sell-out times and a day plan built around you, for all four Walt Disney World parks.

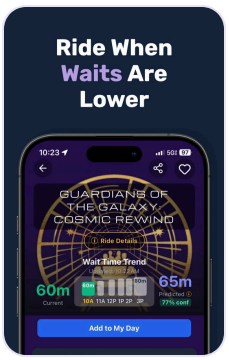

Live waits, every park

Every ride, updated every two minutes, plus what's shorter than usual right now.

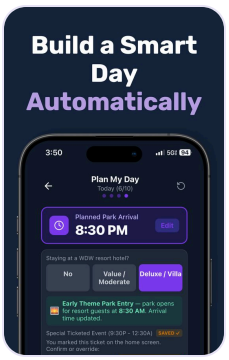

Know when a ride reopens

Ride down? Get an alert the moment it's back up.

Ride when waits drop

See when a ride's wait is likely to fall, and the best time to go. (Pro)

A plan for your day

Pick your must-dos and get an order that dodges the heat and the crowds. (Pro)

Install before you go

Scan with your iPhone camera. Free to download; Pro is $4.99 for two weeks (doesn't renew) or $24.99 a year. Use it alongside the My Disney Experience app.

Download on the App Store

Upgrading to Pro? Enter your travel advisor's code before you buy:

Your travel advisor may earn a referral fee from MagiPulse if you buy Pro with their code. The price you pay is the same.

MagiPulse is an independent app from The Penelope Group LLC and is not affiliated with, endorsed by or sponsored by The Walt Disney Company. Wait predictions are estimates. iPhone and Apple Watch.
